EDUCATION

South Dakota State University, Brookings, SD • GPA: 3.90

High School GPA: 4.18

Bachelor of Science in Electrical Engineering

Expected Graduation: May 2029

Relevant Coursework: Linear Circuits 1, Intro to EE, Comp. Sci. 1, Tech Writing in Eng., Calculus 1-3, Diff. Eq.

WORK EXPERIENCE

Transmission Planning Engineer Intern, Black Hills Energy, Rapid City, SD

May 2026-August 2026

- Reviewed planning documents and study assumptions, including load and generation dispatch
- Used Python and Microsoft Access to organize and analyze historical SCADA data
- Verified contingency definitions and performed PowerWorld validation
- Collaborated with engineers and teammates to complete planning assignments
- Participated in industry and project meetings to gain exposure to utility planning practices
- Presented internship projects and technical findings to colleagues

Head Lifeguard, Rapid City Pools, Rapid City, SD

May 2025-August 2025

Lifeguard and Water Safety Instructor, Rapid City Pools, Rapid City

May 2024-August 2024

- Promoted to Head Lifeguard based on performance, leadership, and reliability
- Led and supervised lifeguard teams, coordinating rotations and enforcing safety protocols
- Trained staff on emergency response, equipment inspections, and customer service practices
- Monitored 100+ swimmers and responded to emergencies using CPR, first aid, and rescue procedures
- Conducted water quality testing, facility inspections, and operational maintenance activities

Crew Member, Cruizzers Pizza, Keystone, SD

May 2023-August 2023

- Supported food preparation, cashier, and delivery operations in a fast-paced environment
- Provided responsive customer service and resolved issues promptly
- Maintained food-safety, cleanliness, and inventory standards while balancing multiple responsibilities

RELEVANT/ENGINEERING PROJECTS

CAD and Additive Manufacturing

- Designed, prototyped, and produced 150+ custom whistles for Rapid City Aquatics, improving sound performance and reducing equipment costs

Electrical Systems

- Installed and troubleshooted automotive and utility vehicle electrical systems involving multiple sound systems, speakers, amplifiers, head units, capacitors, wiring, and fuses for custom audio setups
- Completed residential electrical projects involving switches, outlets, lighting, and wiring

Mechanical and Infrastructure Projects

- Performed vehicle and small-engine maintenance, repaired sprinkler controllers and valves, and assisted with family ranches structural construction of fencing, corrals, gates, and Quonset

LEADERSHIP & INVOLVEMENT

Jacks Club Hockey, South Dakota State University, Brookings, SD

August 2025-Present

- Member of SDSU Jacks Club Hockey (D2 ACHA), building teamwork and discipline through competitive play

Focus Member, South Dakota State University, Brookings, SD

December 2025-Present

- Member of Focus, a Christian ministry focused on mentorship, Bible study, discipleship and fellowship

Rushmore Thunder Hockey, Thunderdome, Rapid City, SD

August 2021-April 2025

- Starting Forward on the 2025 South Dakota Varsity and USA Hockey 2A National Championship team; four-year varsity athlete; 15 years of competitive hockey experience demonstrating discipline and teamwork

Hobey Baker Character Award, Rushmore Thunder, Rapid City, SD

April 2025

- Selected as the team's senior recipient for character, leadership, sportsmanship, and excellence
